Get Paid.

NPI / UB04 Readiness

When will your organization be able to send/receive transactions containing dual IDs or NPI?

*CareMedic will be able to receive NPI's in Decemeber 2006
- CareMedic will begin sending NPI's in December 2006 if
the payer is ready and testing is complete*

When and how can you send test transactions?

Test files can be sent to NPIreadiness@caremedic.com or contact support @ 800-761-9830

What kind of turnaround time can we expect on submitted test transactions?

Turnaround within 10 days if coding not required

Will there be an end-to-end test using the transactions we submit [transactions being sent on to payers and receiving transactions back from the payer]?

Only with payers that require facility testing

Will the clearinghouse/billing service coordinate testing with payers or actively participate during the testing you coordinate?

Yes!

Will the Clearinghouse or Billing Service track which Payers are ready to accept NPI?

Yes!!
